5.FAQ:

1. Will PVC/Vinyl Portable Temporary Fence become brittle in winter?
PVC/Vinyl fence will become less flexible in cold weather conditions. However, unless you objected to unusual impact, it will not break or crack.
2. Will PVC/Vinyl Portable Temporary Fence crack, chip, peel or rot?
Vinyl fence is never to crack, chip, peel and rot.
3. Are PVC/Vinyl Portable Temporary Fence maintenance free?
Yes, under normal condition all that is required is an annual washing of the fence to keep it looking new.
4. Will PVC/Vinyl Portable Temporary Fence mildew or collect mold?
when subjected to extended damp weather, vinyl fence will collect mold and mildew. They are, however, easily cleaned with a solution of mild household detergent and water.
